

SOUTH EAST ASIAN MATHEMATICAL SOCIETY

## SEAMS SCHOOL 2017

### FIXED POINT THEORY AND OPTIMIZATION

CHIANG MAI UNIVERSITY, CHIANG MAI, THAILAND

24 – 31 JULY 2017

---

Our school in “Fixed Point Theory and Optimization” are supported by CIMPA, Chiang Mai University and Thailand Research Fund under the Royal Golden Jubilee Ph.D Program. Because of the limit budget of the school, we can support for only 10 participants from ASEAN. Especially 5 - 6 participants could be given full support (travel and local expenses) and the rest 4 of them can be provided for accommodation in Chiang Mai.

The application should include the following documents:

- (1) A registration form (available [here](#));
- (2) A copy of the academic transcript (for students)
- (3) A recommendation letter.

***Registration:***

+ Deadline for registration (and sending [above documents](#)): **May 15, 2017**

+ Deadline for grant applications: **May 15, 2017**

+ Notification for grant: **May 17, 2017**

The participant has to send [above documents](#) (scanned files) by email by May 15, 2017 to: [suthep.s@cmu.ac.th](mailto:suthep.s@cmu.ac.th) or [bpanyanak@yahoo.com](mailto:bpanyanak@yahoo.com)
