

Call for Papers: *Thai Journal of Mathematics (TJM)*
Special Issue: Discrete and Computational Geometry, Graphs, and Games

Deadline : December 31, 2021.

Thai Journal of Mathematics (TJM) is pleased to announce the call for papers for a special issue on “**Discrete and Computational Geometry, Graphs, and Games**”. This special issue is dedicated to the topics of the recent conference held online on September 3-5, 2021: *Thailand-Japan Conference on Discrete and Computational Geometry, Graphs, and Games (TJCDCG³ 2020+1)*

The submission of the papers in this special issue includes but is not limited to: Discrete Geometry, Computational Geometry, Graph Theory, Graph Algorithms, Complexity, and Winning Strategies of Games and Puzzles. The submission is not limited to the papers presented at the conference. Papers will be strictly refereed in keeping with the standards of TJM. There is no page charge, and the published papers will be available on the website of TJM.

Thai Journal of Mathematics (TJM) is a peer-reviewed, open access international journal publishing original research works of high standard in all areas of pure and applied mathematics. The Thai Journal of Mathematics is organized and supported by The Mathematical Association of Thailand, Thailand Research Council, and the Center for Promotion of Mathematical Research of Thailand ([CEPMART](#)).
